The meeting was called to order at 11:36 am by Chapter President, Charisse Castagnoli.

1. Opening Comments – NA
2. We have a quorum.
3. New Challenge Coins – Silver Coin Prices depend on the spot price of silver. Bronze coins are $6 each.
   a. The two-dimensional die costs $400 but we own it and can take it with us to another vendor if we choose.
   b. We could have the engraving for speakers done locally.
   c. Delivery can take 8 – 10 weeks.
   d. The vendor prefers a check over credit card. The day we pay is the day he locks in the spot price for the silver coins.
   e. The minimum order is 50. This number can be split between silver and bronze if we choose.
   f. The bronze coins have a discounted price starting at 100.
   g. We want to give the silver coins to speakers, distinguished fellows, board members, and others to be determined.
   h. We would want to order 50 silver and 50 bronze. That should cost us $2,125 dollars including setup fee. That does not include the shipping fee. We should insure the shipment.
   i. Speaker Gifts are covered in the budget (speakers expenses and fees) so this is not outside of budget. This would cover us for two years of speaker gifts.

Minutes are in draft form until approved by the Board Members

MEMBERSHIP [Richard Stephens, Membership Director Reporting]

1. 236 members. Our numbers are still languishing.
2. We will be discussing specific initiatives to drive membership renewals and attract new area members.

MARKETING [Courtney Cavness, Marketing Director Reporting]

1. Velocity Storm has been working on the mockup of the new Website with Courtney.
2. The website will move from SquareSpace to WordPress.
3. We will only have current year info on the website. Anything older will be archived.
4. Do we want to compensate velocity storm for design, hosting/maintenance, and content management? Only pay him for the design work? What do we do about hosting and maintenance?
5. Courtney’s concern is that the website branding won’t be consistent if multiple people have the responsibility of updating the site.
6. Should we create a webmaster position? If so, we should add it to the monthly newsletter.
7. Courtney moves that we grant Matt Pardo a onetime $2K honorarium for the website redesign work. David seconded the motion. Stephen raised the idea that we haven’t exhausted other options such as the International organization’s new management company.
8. Courtney wanted to know if there is other money in the budget we can use for this.
9. Can we give them a tax write off in lieu of payment? Can we give them a “marketing” credit?
10. This is still under discussion. We need to see the final product before we decide on the amount of the honorarium. There is real concern about the amount of money we have to spend on this.
11. Richard would like a SOW for the “work for hire.” Vern states that this is an honorarium for work done on a voluntary basis.
12. Action item: Courtney will go to Matt for a SOW and a formal spec with a deadline, rounds of updates.
