   *Date of minutes read and approved*

   Approved?

   - June is “Bring a Friend” month. We need to actively promote this event.
   - How do we deal with the potential large attendance?
   - We will want to capture the guest information (email) for lead generation.
   - Can we add a radio button to EventBrite (will you bring a friend?) yes, no – if yes, what is their email address?

   **SPONSORS [Gene Naftulyev, Sponsorship Director Reporting]**
   
   1. Gene has done some research on alternate vendors for “challenge coins.” He believes there may be less expensive alternatives.
   2. We may still need a sponsor for the May Austin Security Professionals meeting. Luminate is on deck (Ben Holder is the contact).

MEMBERSHIP [Richard Stephens, Membership Director Reporting]

MARKETING [Courtney Cavness, Marketing Director Reporting]

1. Courtney will be meeting with Matt to discuss work on the chapter website.
2. Courtney is developing a "style guide" that will include RGB values for colors.
3. She will distribute over the web and we can vote online.
4. Marketing needs a credit card to use for chapter business. This is an action item for Stephen (Treasurer). The limit needs to be at least $500/month.
5. We need to identify all the places where our logo is used so we can ensure that we are updating the old logo (especially with partner events – Austin Security Professionals, Innotech, HIMSS, OWASP, B-Sides, etc)

FINANCES [Stephen Wolff, Treasurer Reporting]

ACCOUNT BALANCE:
1. A+ FCU Checking account: $24,632.47 as of 05/01/14
2. Paypal account: $2,251.69 as of 05/01/14

5. Stephen needs to give Courtney a chapter credit card with a credit line of at least $500/month.

COMMUNICATION [David Ochel, Corresponding Secretary Reporting]

1. David updated the logo on Eventbrite.
2. Problem with Google Drive: whoever currently creates a document is the “owner.” What happens when we have turnover?
3. Should we pay for Google Apps for business ($600/year)? Can we get pricing as a non-profit?
4. Charisse will follow up with Google. If we can’t get non-profit pricing there will be a proposal to pay for Google
